About Tonga AI

Out of respect for our clients' confidentiality, further client-specific prototypes and enterprise solutions remain private. The platforms in this catalogue demonstrate our ability to deliver comprehensive business and organisational IT solutions, seamless full-scale integrations and fully supervised automation, at a fraction of the traditional cost.

- **Rapid Deployment**

A prototype framework on Day 0, then a fully operational live prototype for testing within 3 days.

- **Bank-Grade Security and Integrity**

Rigorous security measures, comprehensive activity tracking and automated safeguards.

- **Supervised AI, Human Authority**

AI prepares and proposes; people make every determination and give final approval.

- **Proactive Intelligence**

Real-time alerts delivered to your preferred channels and email.

- **Bilingual Accessibility**

Fully localised design that works in English and Faka-Tonga.

- **Flexible Integration**

Complements your existing IT, or delivers bespoke modules and complete ERP systems.

- **Ongoing Partnership**

Free lifetime upgrades and dedicated support with every platform.

Enterprise Operations

ERP, project, banking, asset and finance platforms with supervised AI. Sign in as any role and explore.

TongaAI Office Automation ERP

A full bilingual ERP covering finance, HR, payroll, TNPF, inventory, projects and AI automation, with one-click demo logins for seven roles from CEO to general staff.

<https://tongaai.tongamarket.com/DemoERP/>

TongaAI Project Manager

Project planning and tracking with tasks, quality, risk register, budget and feedback, driven live from the TongaAI ERP.

<https://tongaai.tongamarket.com/DemoProject/>

TongaAI Project Command

AI-native project, portfolio, credit and environmental and social (E&S) management across the whole project lifecycle. Thirteen supervised AI agents prepare; people make every determination.

<https://tongaai.tongamarket.com/ProjectCommand/>

TongaAI Sector-Wide ERP

One group ledger for power and water, agriculture, retail, tourism, construction and shipping, with IFRS reporting, 54 role personas and supervised AI. Synthetic data, rebuilt nightly.

<https://tongaai.tongamarket.com/SectorWideERP/>

Banking ERP Demonstration

An integrated core-banking ERP for a fictional Tongan bank: lending, money transfer, FX hedging, treasury, GL, NRBT returns, AML/CFT and Board packs, with 13 role logins and every figure drilling down to source.

<https://tongaai.tongamarket.com/DemoBank/>

Asset and Facility Management PWA

An installable mobile app for asset registers, facility health scores, inspections, QR scanning, maintenance reminders and corrective actions, with AI insights and Excel/PDF reports.

<https://tongaai.tongamarket.com/DemoBank/AssetsPWA/>

Tonga Power Finance Cockpit

A finance control centre grounded in public Tonga Power annual-report data: AP, AR, journals, bank reconciliation, budget variance, financial statements and a CFO board report card, with AI that separates facts from inferences.

<https://tongaai.tongamarket.com/tonga-power-finance/>

Niue Development Bank Platform

An integrated banking and business automation prototype: multi-system reconciliation (FinPower, MYOB and channels), lending, deposits, teller and customer portal, consolidated IFRS statements and an immutable audit trail. Installable as an app.

<https://tongaai.tongamarket.com/NDB/>

Command Centres

Mandate-mapped programme and advisory prototypes. Every requirement traces to a working module, every figure drills to source, and AI prepares while people decide. Demonstration data only.

CEO Ministry of Finance Command Centre

One drill-down view of budget execution, procurement, donor acquittal and debt position down to source document, built from published Tonga Budget Statements, with a Minister dashboard.

<https://tongaai.tongamarket.com/ceomof/>

PSC Training Institute Command Centre (TICCC)

A command centre for a training institute coordinator: mandate map, finance, training programs, corrective actions and work plan, with oversight views for executives and governance teams.

<https://tongaai.tongamarket.com/ticcc/>

Digital Transformation Adviser Command Centre (DTIA)

Operational readiness, change management, training and capacity building, issue and SLA escalation and TWG governance, with every terms-of-reference requirement traced to a live feature.

<https://tongaai.tongamarket.com/dtia/>

ODFL Inclusivity Project Command Centre

Project reports, consultation sessions, draft policy and presentation-ready outputs for an open, distance and flexible learning inclusivity consultancy, with consultation, draft and presentation modes.

<https://tongaai.tongamarket.com/odflip/>

ODFL Phase 2 Programme Command Centre

A ten-country, ten-year programme view: 13 modules, five costed outputs, five delivery gates, MERL, GEDSI and value-for-money tracking, with supervised AI and ten registered languages.

<https://tongaai.tongamarket.com/pmprcol/>

Payments System Advisor Command Centre (PSA)

Every terms-of-reference clause, work-plan action, oversight tool and report in one cleared, auditable view, with eight role-based access levels and a three-stage clearance chain.

<https://tongaai.tongamarket.com/PSA/>

Wayfinder Portfolio Monitoring Command Centre

Verifies client submissions, tests covenants and evidences actions across fictitious private-sector clients. Inputs are prepared for decision-makers, never in place of them.

<https://tongaai.tongamarket.com/Wayfinder/>

E-Procurement Assessment Command Centre (EPAST)

From first briefing to final decision brief: terms-of-reference tracking, fraud early-warning with human triage, value and sustainability gates and a full report stack, in English and Faka-Tonga.

<https://tongaai.tongamarket.com/epast/>

Pacific Labour Mobility Command Centre (PLMS)

A mandate map and assignment tracking across nine Pacific countries with budget, reporting and a supervised AI agent harness.

<https://tongaai.tongamarket.com/plms/>

Labour Mobility Capability Plans Command Centre (SPLMTAP)

Tonga and Fiji labour-sending-unit capability plans and training stacks, evidence-linked and drillable to source, with 15 stakeholder access levels and proactive alerts.

<https://tongaai.tongamarket.com/splmtap/>

Preparing Nonsovereign Operations Command Centre (PNOP)

Agribusiness pipeline origination and transaction preparation across the Pacific: 19 modules, report studio and fictitious deals, where the lender decides and the consultant prepares.

<https://tongaai.tongamarket.com/pnop/>

NZ HRM and Payroll Command Centre

Full New Zealand labour-law and IRD compliance engines, dual Holidays Act and Employment Leave Act support, KiwiSaver, payday filing drafts and 15 supervised AI agents. Humans decide.

<https://tongaai.tongamarket.com/nzhrm/>

Education Management

Bilingual school systems for teachers, principals, students and parents.

Tonga Primary ERP

A bilingual, AI-assisted school ERP with six demo access levels (admin, principal, teacher, parent, student, Friends of School) covering marks, attendance, finance, projects, reports and approvals.

<https://tongamarket.com/TongaPrimary/>

Tonga Secondary ERP

A bilingual WordPress-based ERP foundation for secondary and upper-secondary schools, with a Tonga-first curriculum. AI drafts always require human approval.

<https://tongamarket.com/TongaSecondary/>

Government Solutions

Whole-of-government visibility without replacing the systems you already own.

Tonga Government Command Platform

Integrates and automates existing e-Government systems: whole-of-government dashboards for the PM and Cabinet, an AI layer immersed in Tongan policy, and a Donor Funding Optimisation Engine. Fictional demo data.

<https://tongamarket.com/GovDemo/>

Payments and Financial Services

Pacific-owned payment rails, bank integration and remittance. PaciPay tools are in NRBT sandbox submission, so no real funds move yet.

PaciPay Payment Gateway

PENDING NRBT SANDBOX TESTING

A Pacific payment gateway: bank transfer, EFTPOS and cards settled in Tongan Pa'anga, at 1.5% on local rails. Bilingual, with merchant sign-in and API.

<https://paciplay.tongamarket.com/>

PaciPay Share Link

PENDING NRBT SANDBOX TESTING

Turn any product or service into a shareable payment link in seconds and sell on Facebook, WhatsApp, Instagram, SMS or email, with no website needed.

<https://sharelink.tongamarket.com/>

PaciBank Integration Platform

PENDING NRBT SANDBOX TESTING

Lets a Pacific bank connect to PaciPay as a configuration exercise: an oversight portal, file-exchange connector and reconciliation, with nothing installed into the core banking system.

<https://pacibank.tongamarket.com/>

PaciPay White-Label Gateway

PENDING NRBT SANDBOX TESTING

A bank's own branded payment gateway: hosted checkout, local data sovereignty and ISO 20022, activated from an operations console with no code.

<https://whitelabel.tongamarket.com/>

MOM Finance

AWAITING LICENSING

International money transfer between Tonga and Australia with live rates, orders and bilingual accounts. Tested and awaiting regulatory licensing before live remittance.

<https://momfinance.to/>

Commerce and Marketplace

Online trade for Tonga and the Pacific.

Tonga Market

A multi-store online marketplace for Tonga products and services (groceries, parts, school packs, stays and tours, eBooks) with multi-currency pricing and island pickup.

<https://tongamarket.com/>

PaciSeller

Pacific-first multivendor WooCommerce platform with seller storefronts, bookable services, multi-branch inventory, payouts and an AI shopping assistant. Free starter tier; NZD 250 lifetime Enterprise Pro.

<https://tongamarket.com/paciseller/>

Pacific Language AI

AI that speaks Tongan and the languages of Oceania.

Tonga/Oceania AI

Talanoa with AI in Tongan, Samoan, Fijian, Maori, Hawaiian and more: chat, letter assistant, sermon and speech writing, PowerPoint generation, translation and Tongan games.

<https://tongaai.tongamarket.com/>

LeaTonga Document Translator

A free AI document translator between English and Tongan, Samoan, Fijian, Maori and other Pacific languages. Installable as a web app.

<https://leatonga.tongamarket.com/>

Media Transcription and Translation Hub

Live transcription and Tongan subtitles for Zoom, TV, sermons, speeches and YouTube, plus an AI chatbot and read-out tools. Translates to Tongan and other Pacific languages.

<https://chat.tongamarket.com/>

Culture, Games and Faith

Language and scripture learning made playful.

TongaGameLand

AI-enhanced Tongan word games and Bible studies: 365 SDA hymns, Bible crosswords, verse matching, fill-in-the-blank, word search, 28 Fundamental Beliefs study and the full parallel Tongan/English Bible.

<https://tongagame.tongamarket.com/>

Security

Practical protection for small organisations.

TongaAI Firewall

LIVE NOW

A daily 0-100 security score for Windows laptops: verifies Defender, firewall, ports and patches, hardens settings, alerts on break-ins and locks down on public Wi-Fi. Free trial; NZD 10 lifetime.

<https://tongamarket.com/tongaai-firewall/>

Let's build yours.

Tell us the work your people repeat, the approvals that stall, and the reports that take too long. We will shape a live prototype around it, in days, not months.
